## The Church is Growing Fast...

“...help us to grow with depth”

Aung Htoo

(Myanmar)

## One of the Greatest Needs...

of the growing churches in Africa and throughout the Global South is well-trained pastors who can preach from the Bible with integrity, clarity and power.”

Dr David Zac Niringiye

(Major African Church Leader)

# What is Langham Partnership?

Pioneered by John Stott and now led by Dr Christopher Wright, Langham Partnership International has been helping to raise the standards of Biblical preaching for over 35 years.

## Our Vision...

is to see Majority World churches being equipped for mission and growing to maturity through the ministry of Christian leaders and pastors, who sincerely believe, diligently study, faithfully expound and relevantly apply the Word of God.

## Our Mission...

is to work in partnership with churches in the Majority World by working from the ground level up.

## Langham Preaching

**Growing a new generation of preachers and teachers** by developing indigenous preaching and teaching networks for on-the-ground training that allows leaders to wrestle with the local issues that should be addressed through God's Word. Langham has been able to develop these networks in 52 countries to date with another 24 in the frame for the future.

## Langham Literature

**Multiplying indigenous evangelical literature, writers & publishers** Langham distributes over 200,000 books to more than 50,000 leaders and over 700 colleges and seminaries in 80 countries each year. We also invest in local writers and publishers assisting them to create new resources for their local context.

## Langham Scholars

**Developing Strategic Christian Leaders worldwide** Langham offers scholarships for those majority world leaders who want to push on further into PhD level training. We have over 270 Langham Scholars completed or in training around the world.
